"KNOW THE UNIT"

"Know the unit."
This is a hint the home economics department of the University of Nebraska offers to housewives who would buy economically. Since raw materials and labor fluctuate in price, the selling price of a commodity or the size of the package must vary.

For example, many Lincoln folks objected to a proposed raise of one cent in the selling price of the one-pound loaf. The loaf still sells for 5 cents, its size has been reduced so much that the consumer now pays nine cents a pound for his bread.

Likewise, the housewife who hesitates to pay 40 cents a pound for fresh eggs (60 cents a dozen) often buys prepared breakfast foods at the rate of 40 cents a pound. Yet she could buy equally as good breakfast foods (unprepared) at 8, 10 or 12 cents a pound and cook them herself at little cost. Consequently, economical buying requires a knowledge of the unit price rather than package price.

OLD-TIME GOLD CURE

DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

SHOPPING HINTS

If housewives would put aside samples of textile fabrics along with data as to date of purchase and price paid, this information would form the basis for more economical buying later on, is the suggestion offered by the home economics department of the state agricultural college.

Economical buying of fabrics calls for a wider knowledge and more discrimination than ever before, owing to the use of new methods of manufacture, new machinery, and new fibers. For example, ramie, a new fiber stronger than linen, is coming into use for a number of textiles used in home furnishing. Also, artificial silks are very tempting because of their beautiful luster, though they cannot be washed successfully.

ANOTHER HORNED RABBIT

O'Neill—Jack Thomas has a horned rabbit head that is attracting much attention. A professor asserts that he is unable to throw any light on the matter. The rabbit has a large horn two inches in length which looks exactly like a deer horn.

MANY IN ATTENDANCE AT ORGANIZED AGRICULTURE

All attendance records were broken at meetings of Organized Agriculture at the university farm, Lincoln, January 15 to 19. From the time the gavel sounded for the opening of the initial session it was evident that this year's attendance would far exceed all previous high marks in attendance. At the close of the third day, Wednesday, nearly 6,000 had

been present at university farm meetings, a figure equal to the estimated attendance of last year. The press of the crowd was so great that overflow meetings had to be arranged to accommodate those who could not find standing room in convention halls.

For a Bilious Attack

When you have a severe headache, accompanied by a coated tongue, loathing of food, constipation, torpid liver, vomiting of poorly digested food and then bile, you may know that you have a severe bilious attack. While you may be quite sick there is much consolation in knowing that relief may be had by taking three of Chamberlain's Tablets. They are prompt and effectual. Obtainable everywhere.

LITTLE BUSINESS BRINGERS

Herald advertisers profit by using Classified Advertisements—little business bringers that "bring home the bacon" and work at a trifling expense. Try them and get results from your advertising.

LIME FOR LAYING HENS

Lime in the ration of the laying hen is very important, says the poultry department of the university of Nebraska. She must have the material with which to build the egg shell—without it production is greatly impaired. Common grit does not serve this purpose. Oyster shells meet this demand, are readily soluble and assimilated while grit functions as a pulverizer or grinder of the feed.
